

Elsberry R-II School District SIS Parent Access Authorization

Elsberry High School and Middle School are pleased to offer a web based parent portal. This will allow parents to log in to see their child's grades, attendance, lunch balance, and discipline incidents. Parents who sign up will be notified via email with their user name and password when the system is online.

Not all information will be updated daily so please don't hesitate to continue to use personal communication with staff members. Computers and internet are excellent communication tools, but should never take the place of working partnership between home and school. If a student is on the fine list, some of their information may be temporarily unavailable.

A link is on our website (www.elsberryschools.com) for you to connect to the grade portal.

To sign up for this service, parents should complete the bottom portion of this form and return it to either the high school or middle school office. **Only one form is needed per family.** If you have any questions, please call the high school or middle school office, 573-898-5554.

Student(s) Name

Grade

Please print the email address neatly

Parent Name

email address

I would like to access my student's information over the internet using a password. I understand that it is my responsibility to protect my password. I understand that the portal may not be available 24 hours a day due to maintenance work, weather related interruptions, etc.

Parent Signature _____ Date _____
